RE: South Auckland Christian Food Bank

To Whom It May Concern:

It is with pleasure that I write to offer my wholehearted support to South Auckland Christian Food Bank. Mangere Budgeting Services Trust has developed a successful working partnership with South Auckland Christian Food Bank, where either party can refer to the other for support services.

We have no hesitation in supporting this organisation as we refer families and individuals to this organisation daily.

The work South Auckland Christian Food Bank do in the community impacts positively on the South Auckland regions as most of our clients reside in this community.

The major part of their work is delivering food parcels six days a week to families in need. As well as offering community dinners for families and their children. This support is invaluable to vulnerable families. The number of families needing food assistance has grown dramatically over the past six months due to the world economy and recession.

I sincerely hope to continue working alongside South Auckland Christian Food Bank and wish them well in their endeavours. I therefore have no hesitation in recommending this organisation and sincerely hope that they are successful in raising the necessary funds so as to continue operating long into the future.

Please do not hesitate in contacting me on 09 - 275 2266 should you require any further information.

Kind regards

Darryl V. Evans JP
Chief Executive
